

# Re-Enrollment Process

Dear Parents,

It is already that time to start thinking about the **2022-2023 school year**. We know that it is very difficult to make some plans for next school year, but if you already know, we need to begin getting an idea of how many students and families are planning to come back to KIS. The answers and information you can provide us at this time help in making preparations, plans, and schedules.

***If you have been withdrawn from KIS, because you have moved to a different school, you will NOT be able to complete the re-enrollment form, so we ask that you just send an email to [admissions@kyiv.qsi.org](mailto:admissions@kyiv.qsi.org).***

Thank you for taking the time to complete this process.

## REAPPLICATION

In order to complete this process, you will need to do the following:

1. **Login** to your  **Family Profile** in Moodle (<http://study.kis.net.ua/>)

Click on “**Will Return**” if you wish to re-enroll your children for the next school year.

Click on “**Will NOT Return**” to indicate that your child is withdrawing.

We are also asking about location, so we better understand who is inside or outside Ukraine, and have a place for you to submit any additional information you think would be helpful for us to know concerning your situation.
